MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

To the Residents of the
TOWN OF ROCANVILLE

Management of the **TOWN OF ROCANVILLE** has the responsibility for preparing the accompanying financial statements and ensuring that all information in the related reports is consistent with the statements. This responsibility includes selecting appropriate accounting policies and making objective judgments and estimates in accordance with Canadian public sector accounting standards.

In discharging its responsibilities for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary systems of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records maintained.

Ultimate responsibility for financial statements to the residents of the municipality lies with the Council who review the financial statements in detail with management prior to their approval for publication.

External auditors are appointed by the Council to audit the financial statements and are available to meet separately with both the Council and management to review their findings. The external auditors have full and free access to the Council to discuss their audit and their findings as to the integrity of the municipality's financial reporting and the adequacy of the system of internal controls.

REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY FINANCIAL STATEMENTS

To the Mayor and Councillors
TOWN OF ROCANVILLE

The accompanying summary financial statements, which comprise the statement of financial position as at December 31, 2017 and the statement of operations for the year then ended, are derived from the audited financial statements of the TOWN OF ROCANVILLE for the year ended December 31, 2017. We expressed a qualified audit opinion on those financial statements in our report dated July 4, 2018.

The summary financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the TOWN OF ROCANVILLE.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements in accordance with Canadian public sector accounting standards.

Auditors' Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements."

Qualified Opinion

In our opinion, the summary financial statements derived from the audited financial statements of the TOWN OF ROCANVILLE for the year ended December 31, 2017 are a fair summary of those financial statements in accordance with Canadian public sector accounting standards as discussed below. However, the summary financial statements are misstated to the equivalent extent as the audited financial statements of the Town of Rocanville for the year ended December 31, 2017.

The misstatement of the audited financial statements is described in our qualified audit opinion in our report dated July 4, 2018. Our qualified audit opinion is based on the fact that in common with many service organizations, the Recreation Boards derive revenue from various sources the completeness of which is not susceptible to satisfactory audit verification. Our qualified audit opinion states that, our verification of these revenues was limited to the amounts recorded in the books of the organization and we were not able to determine whether any adjustments might be necessary to total receipts and expenses. Our qualified audit opinion states that, except for the effects of the issue noted above, those financial statements present fairly, in all material respects, the financial position of the TOWN OF ROCANVILLE as at December 31, 2017, and its financial performance and its cash flows for the year the ended in accordance with Canadian public sector accounting standards.

Banner Contest

The **Town of Rocanville** wants to
replace the banners
hanging on the street lamps
AND they want your input.

We want your designs, your ideas.

Please provide a drawing of your idea for
the new banners to the Rec office by or
before **September 3, 2018**

The winner will not only have the bragging
rights and privilege of seeing their work made
into banners which will then be hung proudly in
Rocanville but will also walk away with **\$300.00**
of Rocanville Bucks, which can be redeemed in
every business in Rocanville and used just as
regular money.

How to Enter:

Draw something amazing, something that really represents Rocanville,
make sure your name, and phone number are on the **BACK** of the
drawing, then take it down to the Rec Office and Andrea and Kelly will
be happy to get it from you. Its that easy!

We would like to unveil the winning banner at the Christmas tree
lighting on the first night of late night shopping in December.

Who couldn't use an extra \$300.00 at Christmas time?!?

Did I forget to mention that the 2nd and 3rd place winners also walk
away with **\$100.00** of Rocanville Bucks as well.

Contest Time

1st prize—\$300

2nd prize—\$100

3rd prize—\$100

Rocanville Bucks

This contest is for ALL ages.

The more entries the better

All entries will be displayed at the September
Market at the Museum and here we would like
the community to vote on their favorite. The
top 3 will be then taken to the next Town
Council meeting where the Council will
determine the winner.

To help promote health and fitness the Rocanville Recreation Office along with the Rocanville Recreation Board would like to start a Summer fitness challenge. Each time a child completes 30 minutes of physical activity they can have their card initialed by an adult (please indicate the activity the child participated in). Completed cards can be returned to the rec office for a new card. Each time a completed card is returned the participants' name goes into a draw. Children can fill up as many cards as they like. A draw will be made September 4th. The winner will receive a free pool party with the use of the pool's new inflatable for them and their friends to use at their convenience.

Junior Running Club

With Monique Campbell

Come join our junior running club. Running club is for kids in Grade 4 and up and will take place **Thursday nights at 8:00pm**. We will be tracking our distance and once we have run the distance of Rocanville to Moosomin Dairy Queen we will celebrate with a treat!

If you are interested in running please meet at the high school doors.

Running Club dates are: August 2nd, August 9th
and August 16th.

Aug 9th at the Skating Rink

1:00-3:00

Glow in the dark games for ages 10 - 14

Glow in the dark Wiffle Ball, Bowling, Ring Toss...

*Bring a plain white T-shirt to decorate with
glow in the dark paint.*

Join us at the rink for some music, games and fun!!

AT THE LIBRARY

Story Time-

The Library will not be holding Story Time for the months of July and August. Please stay posted for our start-up time in September!

TD Summer Reading Club 2018

TD Summer Reading Club– August 14 and 15, from 2-4 pm. This is a great time for your children to come and have some fun with crafts, games, and activities. A snack is provided at the end of each afternoon. Please register by calling the library at 306-645-2088, or message us on Facebook. No charge. Also be sure to have your child participate in our Children's Summer Reading Challenge! One of the lucky readers will win a prize. Check in at the library for the forms and some books!

The Science Centre is back!– August 16, from 1:30– 4:30 at the Nutrien Rocanville Community Hall.

This year let your child come and geek out with the Science Centre Team and explore with these 3 programs: With Great Power, Building Better, and Healthy Planet, Healthy Life. Pre-register by calling the library at 645-2088, or message us on Facebook. No charge.

Music & Arts Night- Our next night will be Friday August 24 at 7 pm. We will be featuring Olivia Kelly and Friends! Come in and enjoy the evening with coffee and dessert, and top it off with the Jam Session! Everyone welcome. For more information contact Joelle 306-645-0203, or Raelene 306-434-7188.

GET INTO THE SANDBOX WITH SAVING

Kid-friendly tips for setting financial goals.

The expression 'like a kid in a candy store' exists for a reason, and most parents are all too aware of it. When children are in a place where treats are sold, a very yummy and tangible goal is right there in front of them. They're tempted to spend every dime on the spot. So can they learn to save for longer-term goals like a bike or computer?

Even young children can understand money and the value of setting financial goals. According to a report by University of Cambridge researchers, seven-year-olds can understand basic financial concepts. In fact, introducing children to saving early might give them a head start on a lifetime of good money habits. And it could make those trips through the toy store or down the cereal aisle a little more pleasant.

If you're looking for ideas to help teach kids the rewards of thoughtful spending and savings,

consider some of the activities below.

Make a goal chart

As adults, we're used to seeing goal charts at work, or in charitable donation campaigns, and they can motivate children, too. Work on a craft project together to help your kids start thinking about saving. Draw or paste a picture of their goal- a bike, a toy, visit to a theme park- and create a chart to track their savings. Keep it somewhere visible (on the fridge perhaps) so they'll get frequent reminders of what they're saving for.

The great divide

Get kids accustomed to putting aside a portion of their cash for something larger. Use jars, piggy banks or envelopes, label them with 'spend' and 'save' and every time your child receives money, divide it in to the different categories.

Allow the 'spend' contents to be spent as the

child likes, including small purchases to satisfy the instant gratification urge. Meanwhile, the 'save' contents accumulate for a larger, longer-term goal.

Online resources and games

Check out the information and interactive games, if they help your child learn, at these sites:

-*Practical Money Skills* provides games and apps for all ages at www.practicalmoneyskills.ca/games

-*Family Mint* provides a free basic version of its online financial literacy program and a blog with info and tips for parents at familymint.com

It takes practice, but developing savings habits at a young age will go a long way to helping your children build a bright financial future.
