Rocanville's Free the Children Group's We Scare Hunger Campaign was super successful again!! Thanks so much to the residents of Rocanville who donated 880 pounds of food this year!! Wow! Rocanville's Free the Children Group finished dropping it off at the Rocanville Food Bank where the wonderful volunteers will fill the shelves with everything they've collected this year. Our Rocanville shelves were pretty bare this year, so Chantelle is beyond proud of Madalyn Rush-ton & the group for coordinating this event.

Rocanville's Free the Children Group is thankful to Devin & Kayla for being the drop off spot and helping load food into Olliver's truck :) All the volunteers all deserve a great big thank-you!!

ATTENTION TUESDAY AFTERNOON CURLERS!!!!

We would certainly like to continue Tuesday afternoon curling this winter, and it will tentatively start in December. The number of curlers actively participating in the league has been dropping over the years. Unfortunately the cost of operating the facility has been increasing. Therefore to make it viable to open the rink on Tuesday afternoons, we require a minimum of 16 interested participants to submit your name by the end of November. Let's get together and keep this league active! Please submit your name to: Dennis Norrie 306-645-2186 or Marilyn Hickie 306-645-4553

FOREVER IN MOTION

Prairie View Lodge walkers plan to continue to keep going through the winter months. The Prairie View Lodge walkers are enjoying the exercises and walking each Tuesday and Thursday morning and will continue to be Forever in Motion. Anyone wishing to join Forever in Motion is welcome to experience the fun at 9:30 AM Tuesday & Thursday mornings at the Prairie View Lodge. Call 3066452164 for more information.

Protect what matters most

We're used to protecting our things with insurance.

But how about protecting the people we love?

When you were growing up, your parents probably told you to look both ways before crossing the street, eat your vegetables and brush your teeth before bed. This wasn't to make your life less fun, but to help make sure you were safe and healthy. Now, as an adult, you want to make sure your family is safe and healthy – protected.

Although you can't protect your loved ones from every bump and bruise, you can help protect them financially when accidents or illnesses happen. There are a number of different insurance options no matter what your personal family situation is – for example, single, married, and with or without kids.

With a plan in place, you help ensure your family will have funds available to cover any immediate or long-term financial needs – whether that translates into help with medical expenses, mortgage payments or final arrangements. You can rest easy and get back to what matters most to you.
