HAPPY 150 CANADA

2017 TAX LEVY

The 2017 Tax notices will be arriving shortly. Due to the variation in assessments, it was very difficult for Council to adjust the mill rate to accommodate all properties fairly.

Council has therefore taken the decision to adopt a minimum tax for all land and properties \$1,700. Which means everyone will pay the same tax for the same services.

2016 Tax levy generated \$675,210

2017 Tax levy will generate \$713,800 and increase of \$38,590.

Any questions please contact the Town office.

PLEASE NOTE THAT THE TOWN HAS NO CONTROL

2017 BUDGET

The 2017 Budget was set at the Council meeting held on the 21st June.

Council has tried to keep spending to a minimum as a result of the Provincial Government reduced funding.

Sask Energy Grant-in-Lieu withdrawn \$21,566

Revenue Sharing \$13,000 less than 2016

Major funding expenses for 2017 are:-

\$100,000 to resurface Pitt Street

\$100,000 for annual street repairs

\$95,800 to Red Coat Waste to cover garbage and recycling collection within the Town

\$37,000 to cover RCMP contract

Drinking Water Quality and Compliance

Annual Notice to Consumers

Town of Rocanville

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Rocanville's water quality and sample submission compliance record for the January 1 – December 31, 2016 time period. This report was completed on August 24, 2016. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, November 2002, EPB 202 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Water Quality Standards

Bacteriological Quality

Parameter/Location	Limit	Regular Samples Required	Regular Samples Submitted	# of Positive Regular Submitted (%)
Total Coliform and Background Bacteria	0 Organisms/100 mL Less than 200/100 mL	52	55	0

Water Disinfection –

Chlorine Residual in Distribution System for Test Results Submitted with Bacteriological Samples

Parameter	Minimum Limit	Total Chlorine Residual Range	Free Chlorine Residual Range	# Tests Required	# Tests Submitted	# Adequate Chlorine (%)
Chlorine Residual	0.1 mg/L free OR 0.5 mg/L total	0.35-1.1 mg/L	0.48-1.19 mg/L	52	55	55 (100%)

Water Disinfection - Free Chlorine Residual for Water Entering Distribution System from Waterworks Records- From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.48-1.19	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	.24-.89	0	.89	365	365

Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted on August 24, 2016. Sample results indicated that the provincial drinking water quality standards were not exceeded.

Saskatchewan
Ministry of
Environment

Parameter	Limit MAC(mg/L)	Limit IMAC (mg/L)	Sample Result(s)	# Samples Exceeding Limit	
Arsenic	0.010		0.90	-	* Results expressed as average values for communities or
Barium	1.0		144	-	
Boron		5.0	<0.1	-	
Bromate	0.01				
Cadmium	0.005		<0.15	-	waterworks that fluoridate drinking
Chlorate	1.0		<0.19	-	
Chlorite	1.0				
Chromium	0.05				
Fluoride (avg*)	1.5		<1.5	- none added	water supplies or those with elevated concentrations of fluoride or nitrates.
Lead	0.01		<0.07	-	
Nitrate (avg.*)	45.0		0.8	-	
Selenium	0.01		<1.13	-	
Uranium	0.02		1.5	-	

Chemical – Trihalomethanes (THMs)

Parameter	THMs Limit (mg/L)	Sample Result (average)	# Samples Required	# Samples Submitted
Trihalomethanes	0.1	N/A	4 (1 every 3 months)	N/A

Note: Only water supplies derived from surface water or groundwater under the influence of surface water are required to monitor for THMs. Waterworks using groundwater sources beyond the influence of surface water do not need to report THMs since sampling/analysis will not likely have been performed.

General Chemical

Parameter	Aesthetic Objectives * (mg/L)	Sample Results (average)	# Samples Required	# Samples Submitted
Alkalinity	500	210	1	1
Bicarbonate	No Objective	256	1	1
Calcium	No Objective	80	1	1
Carbonate	No Objective	0	1	1
Chloride	250	2.7	1	1
Conductivity	No Objective	521 µS/cm	1	1
Hardness	800	274	1	1
Magnesium	200	18	1	1
PH	No Objective	8.0 pH Units	1	1
Sodium	300	3	1	1
Sulphate	500	68.7	1	1
Total dissolved Solids	1500	436	1	1

All waterworks serving less than 5000 persons are required to submit water samples for SE's General Chemical category once every two years if a ground water source and once per three months every second year if a surface water or blended surface/groundwater source. The General Chemical category includes analysis for alkalinity, bicarbonate, calcium, carbonate, chloride, conductivity, hardness (as CaCO₃), magnesium, sodium, sulphate and total dissolved solids.

The last sample for General Chemical analysis was required on 2016 and submitted on August 24, 2016. Sample results indicated that there were no exceedences of the provincial aesthetic objectives for the General Chemical category.

*Objectives apply to certain characteristics of or substances found in water for human consumptive or hygienic use. The presence of these substances will affect the acceptance of water by consumers and/or interfere with the practice of supplying good quality water. Compliance with drinking water aesthetic objectives is not mandatory as these objectives are in the range where they do not constitute a health hazards. The aesthetic objectives for several parameters (including hardness as CaCO₃, magnesium, sodium and total dissolved solids) consider regional differences in drinking water sources and quality.

More information on water quality and sample submission performance may be obtained from:

Thank You

The Royal Canadian Legion, Rocanville Branch #020, had a great day and a very successful concession at the June 17th *Market at the Museum* (and *Canada 150 Day*). Sincere thanks to Borderland Co-op for generously donating a gift card plus organizing and delivering our supplies as well as supplying the ice. Thank you to Bill Easton for letting us decorate his classic *Mercury* truck for the parade (and for driving the truck). Thank you to Jamie and other Museum volunteers for always being so helpful and special thanks to Pat Watson who made the coffee and helped us serve food. Big thanks to Deb Selby and the TD Bank staff for partnering with us and donating Rice Krispie cake and helping serve food and drinks. Thank you to Dennis Norrie who lent a hand on the hot dog assembly line. And lastly, our sincere appreciation to everyone in the community who helped support our hot dog/chili fundraiser. (We hope no one left hungry). We are a small group of Legion members and without community support for our Poppy Campaign, attendance at Remembrance Day services and support of this yearly fundraiser, we just couldn't do it without you. Thank you!

Rocanville Branch #020 - RCL

150 Canada Birthday Parade

Thank You! Thank You! Thank You!

From the Rocanville Ministerial Community of Churches: Rocanville / Welwyn United, Catholic, Anglican, Pentecostal and Hope Congregational. With your contribution, the Parade Float was a success!

Stan Langley for the use of the trailer, Ray and Marjorie Thompson for the use of their truck, Anthony and Rosanne Kelly for supplying the music system, Donna Jack for supplying flowers, Chris and Pat Watson for the use of the quonset, Senior ladies for making flowers, and the children on bikes. It was great to work together to make this happen!

Thank You!

NATIONAL LIFEGUARD SERVICE (NLS)

Rocanville
Aquatic Centre

What: National Lifeguard Service commonly short formed to NLS is Canada's only nationally recognized lifeguard certification program. National Lifeguard is a legal certificate for lifeguarding throughout the country. Lifeguarding is an exciting and rewarding job that carries great responsibility. Guards take courses and train hard for events they hope will never happen and which they work hard to prevent.

When: July 4th-9th 2017

Where: Rocanville Aquatic Centre, 818 Francis Ave, Rocanville, Sk.

Cost: \$300

Contact to register: 1-306-434-9094

2nd Annual Joe Decorby Memorial Show & Shine

What an amazing turn out! Thank you to everyone who came out to support us!

We have many people to thank for their contribution to the success of this event. Thank you to the Rocanville Skating Rink for getting the space ready for us to use at a moments notice. Thank you to Blueberry Kitchen for coming to the rink to serve lunch and snacks, it made life much easier for the participants and us. Thank you to Ken Nixon and Glenda Brown for lending us picnic tables to use. Thank you to Rick's Mechanical (Rick Goulden) for sponsoring the event and for all of his help getting everyone organized the day off. Thank you to all of the prize sponsors: Borderland Co-op, Bumper to Bumper, Conexus Credit Union, CPS, Decker's H2O and Spirits to Go, Donna Jack's Gallery & Gift, Glenkenda Villas, Kentrax Transport, M.R. Challice Sales, New Fortune Inn, Sharpe's Soil Service, Super Thrifty, TD Bank, Whitewood Chrysler Dodge Jeep Ram. We would like to thank everyone you participated in the event, whether you were a participant, or spectator, without you guys there would not be a show. Thanks for coming out and showing us your really "cool cars"! We hope to see you all out again next year for an even bigger and better indoor show!

-Ivy Decorby and Family

THANK
YOU!

Canada 150

CANADA 150

CANADA 150

"Best parade ever!"

"Those fireworks were amazing!!"

"Supper was delicious!"

"We didn't know you had such a nice Museum!"

"We love that the car show was inside"

"The day ran so smoothly!"

"We hope this happens every year!"

These are just some of the comments we received on Rocanville's
Canada 150 celebration!

Big thanks to our sponsors!! PotashCorp Rocanville, Borderland Coop,
Conexus Credit Union, Decker's H2O and Spirits to Go, Metal Mart,
Core Industrial Services, Town of Rocanville and The World-Spectator.

We would also like to thank the many volunteers that gave their time so
freely to make this day possible. Andrea Dunn did a fantastic job as Pa-
rade Marshall! It takes a lot of planning and effort to put on these
events and we hope to have many more in the years to come!

**We would like to make up a photo album that will be displayed in
our community for years to come! If you have any pictures from
the day we would love for you to share them with us! Please email
pictures to rocanville@sasktel.net, drop print copies off at the Rec
Office, or mail them to Box 576 Rocanville, SK SOA 3L0. Thank**

you so much!

Rocanville Playground Committee

We are very happy to announce that because of generous donations and many, many hours of fundraising, we can now order a new play structure! The playground committee would like to thank everyone who donated money to this project. We would also like to thank everyone who supported all of our fundraising efforts.

We would like to thank the following people and businesses that have donated over \$1000:

*PotashCorp Rocanville, Town of Rocanville, USW Local 7916
Rocanville Community Thrift Store ,Monsauto,
Royal Canadian Legion Rocanville Branch #020, Door donations for
June 17th Market at the Museum,
and Tundra Oil and Gas*

Once all the approval paperwork is completed we will be able to order our new play structure! We will be needing volunteers to help with the supervised construction of the structure. Once we have a date we will be putting out a call for volunteers.

This structure will complete phase one of our vision. We will continue to fundraise to renovate the basketball court, soccer fields and paint the swing sets.

Rocanville Recreation

Phone: 306-645-2164

808 Frances Ave.

Just a few reminders!

We no longer accept late community calendar ads. The deadline will be posted on the front page of the calendar. Please send any submissions to rocanville@sasktel.net and include a billing address.

We are excited to announce that we will be running the Rocanville Recreation Summer Program for the 3rd year! Please see information about this program below and on the next page.

Be sure to like us on Facebook to keep up with all of the events happening in the community! Also head on over to our town's website, rocanville.ca, to keep up with upcoming events and facility schedules!

Thank you to everyone that participated in the After School Program, we had so much fun! Keep a look out for this program returning Spring 2018!

Rocanville Playground Committee

We are very pleased to announce that we will be ordering a play structure to replace wooden play structure that is 30 plus years old and is beyond repair.

This will complete phase one of the playground renovation. Phase two will include painting the swing sets, fixing up the basketball courts and purchasing nets for the soccer fields.

This project has and will continue to be funded solely by donations and fundraising efforts.

A new community playground will bring joy to the community for many years to come! If you would like to make a donation, please send a cheque made out to Rocanville School

Box 450
Rocanville, SK
S0A 3L0

And a big thank you goes out to everyone who has already contributed, including Saskatchewan Lotteries Community Grant

Phone: 645-2088

Next Board Meeting:

Wed. Sept. 13, 2017

at 6:30 pm

at the Library.

DEFEATING FRAUD

High-tech and low-tech tips that work.

It's A headline that appears all too often. Fraudsters posing as agents from the Canada Revenue Agency (CRA) call innocent Canadians saying they owe back taxes. The call sometimes includes the threat of arrest if they don't pay up. In 2015, 763 Canadians reported being defrauded by this scam, with losses totaling \$2.5 million. These figures tell only part of the story, however, as the majority of victims do not file reports.

Organized criminals are often the main perpetrators of financial crimes such as this scam, with the total cost to Canadians estimated at a \$5 billion annually. Financial institutions, policy and government are fighting back with new technologies and public awareness. Here's how you can help protect yourself.

Telephone Scams

You can't always be sure who's on the other end of the line, so exercise extreme caution with account numbers, passwords, social insurance numbers and other personal information. Along with the CRA scam, fraudsters have a repertoire of other schemes and often target the elderly. Beware of callers claiming they're:

- From the bank or the police, asking for your help in an investigation
- 'Officials' informing you of a prize or lottery winning, and a fee required to collect your jackpot.
- Long-lost family members saying they're in trouble and need cash to

get out of jail (or some other predicament)

If a caller tries to pressure you into buying, subscribing to or signing up for something, don't say yes until you've confirmed they're legit. The best advice if you feel you're being pressured. Hang up!

Protecting your cards

For decades, credit and debit cards were prone to fraud. With the advent of chip cards in Canada in 2008, counterfeiting plummeted 76 per cent. Today, use of contactless cards, which only need to be tapped or waved in front of merchants reader, is growing. This method of payment for smaller purchases is fast, convenient and very secure.

However, instances of card not present fraud, where card details have been stolen without obtaining the physical card, have risen. To help keep your accounts safe:

- Avoid using birthdates, addresses phone numbers or other easily guessed numbers for your personal identification number.
- Don't share or write down your PIN
- Check every statement for unusual transactions
- shield your card from 'shoulder surfers' who peek or use cameras to record PINs at automated banking machine and stores.
- Never share your card number, expiry date and security code unless you're dealing with a reputable company and you've initiated the transaction
- If a card is lost or compromised, report it immediately.

Cheque Fraud

Even though cheque use is on the decline, nearly a billion cheques are still processed annually in Canada. Security features such as foil stamping, micro printing and watermarks have defeated most cheque forging, but paper-based documents remain vulnerable to fraud and identify theft. If you use cheques, follow these tips:

- store your cheques safely
 - if you're issued a cheque, verify its security features listed on the back.
- Even high-quality photocopiers can't duplicate them.
- Accept cheques only from people or companies you know.
 - If you're selling an item, wait for the cheque to clear before handing over the goods.

According to security experts, e-payments and online transfers are more secure than cheques or cash. Remember, too, that you're generally liable for losses through cheque fraud. So consider going paperless with your financial transactions.
