CABIN FEVER is defined as a claustrophobic reaction to being shut in for extended periods of time. The perfect medicine for this ailment is heaping doses of fun and laughter, balanced with a few teary moments of nostalgia and some hearty sing-a-longs. Such remedies are best found at a **Great Plains** concert, where **Saskia & Darrel** will entertain you with an evening of music, stories, humor, and friendship, guaranteed you'll go home with a lighter step and a full heart.

No prescription necessary.

Great Plains are no strangers to Saskatchewan and are a veteran touring act; with an easy, crowd-friendly style that instantly endears them to any audience. This is true Canadiana; real songs, drenched in our culture and heritage delivered in comfortable highly skilled sets with oodles of self-poking humor. A taste of Celtic, a dab of Bluegrass, and a touch of Gospel a sprinkle of Country and Old Tyme all wrapped around extremely beautiful melodies.

They perform throughout all of Canada and Europe and have cultivated an immense following..... winning over their fans one town, one hall at a time.

Now that winter has truly set in the group is once again serious about keeping active. Participants are grateful for the interest that people from the community have demonstrated by joining the morning exercise and walking sessions. In 2016 the exercise group collectively will travel to Welwyn on March 8th to demonstrate exercises and visit at Belles & Beaus. The next walking goal is the virtual distance to the spa in Moose Jaw. Rocanville Curling Club

After having a curling board meeting and talking about options we have decided to call an end to this season. Difficulties with our brine pump has left us with limited choices at this time. Rocanville Curling is looking for ideas to improve and grow curling in our community. How about a stick curling league? Skins night? Would you like to see an open night for fun and practice? Youth night with music? Glow curling??

Please contact any of our board members or visit our Facebook page to put

forward your thoughts and suggestions. Board members are:

School Curling News

This curling season was short but had lots of ups and downs!

We were able to have 1 practice before Christmas and then continue after the break until the curling rink started to experience some major equipment failures!! Thanks to the Welwyn Curling rink for letting us hold our last practice of the year in Welwyn.

Our Jr. Girls and our Sr. Mixed team were able to get some practice games against Moosomin teams. We travelled to Moosomin once and they came to Rocanville one time.

Our Jr. Girls team of Brooklyn Rudniski, Toryn Harper, Grace Deptuck and Harley Sloat participated in the Jr. Girls playoffs in Radville on February 4th. They played well, beating Maryfield but losing to Carievale. They ended up 3rd in their pool and out of the playoffs by 1 point! Great work this year girls.

Our Sr. Mixed team of Delaney Hickie, Tyler Stewart, Mikayla Rudniski and Jorden Peppin practiced together but had to withdraw from playoffs this year.

Eligible medical expenses

What's on the list might surprise you.

Many Canadians aren't aware of just how many medical expenses may qualify for tax credits – including devices, modifications and services from practitioners for medical treatments. You can claim certain costs that are not paid for by a provincial or private plan for you, your spouse or common-law partner, and dependent children under 18 years old. For the purpose of the medical expense tax credit, health care professionals must be licensed or certified by a governing body to act as a medical practitioner in their province or territory.
