Just a few reminders!

We no longer accept late community calendar ads. The deadline will be posted on the front page of the calendar. Please send any submissions to rocanville@sasktel.net and include a billing address.

In an effort to be more efficient this year we are requesting all of the boards that exist in town to send a list of their members. This way we know who to contact when a grant opportunity, question or issue comes up.

We are excited to announce that we will be running the Rocanville Recreation Summer Program for the 3rd year! Stay tuned for more details!

We would like to welcome Steve Fortney, Meghan Shipp, and Janelle Kurbis to the Rec Board. We would also like to thank Heather Norton, Joy Roden and Gail Goodman for their many years of service on the board.

Be sure to like us on Facebook to keep up with all of the events happening in the community! Also head on over to our town's website, rocanville.ca, to keep up with upcoming events and facility schedules!

Job opportunity!

Rocanville Recreation is hiring a summer student! The position is for Summer Program Assistant. Please send resume to rocanville@sasktel.net

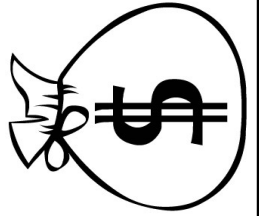

The Royal Canadian Legion, Rocanville Branch #020, is gathering information about the history of the Rocanville cenotaph, honour rolls, and museum displays of military memorabilia to include in a special edition of the Saskatchewan Command Military Service Recognition Book.

We are looking for old photographs of the cenotaph in its original location as well as its present location (or the moving process) and photos of any special events (like the unveiling ceremony) that involved the cenotaph. Please contact Penny Yung, Shirley Duce or Brenda Hancock if you can help us with this request.

Since 2008, the Royal Canadian Legion of Saskatchewan has published a book on RCMP and military members who live or have lived, or serve or have served in Saskatchewan. It is through submissions from the public (and from descendants of veterans) that allow these books to be put together. There is a Military Submission Form that can be obtained from your local Legion and we are more than willing to help you with the form so your relative(s) and his/her military contribution can be included in an upcoming book.

Canada 150 Splash and Dash

What is that?

Wanting a family challenge to celebrate Canada's 150th year? This is it! On **Saturday June 17**, at the **Rocanville Aquatic Center** many two person teams consisting of one student (any grade) and one adult (any age) will team together, **swim 150 meters** (one after the other like a tag team), then **run 1500 meters** together. Simple, fun, challenging. Be one of 150 Canadians to do it! Swim distances will vary according to student age, and heh, everyone that completes the challenge gets an awesome Canada 150 souvenir. Of course, there is a modest entry fee - it is a fitness fund raiser.

Invite your friends and relatives!

After baby is born

Will you need daycare for your baby? This can be one of the toughest questions some new parents face as they weigh their career goals and family income requirements against their desire to stay home with their baby.

You can look at the matter from a variety of angles, balancing logic and finances against emotion to come up with the answer that is right for your family. Here are some key considerations:

- *The cost of working.* Transportation, clothing, drycleaning, lunches, coffees and socializing all add up. Deduct that from your income.
- *Your career path.* If you take time off now, will it be hard to find a good job in your field when you're ready to go back?
- *Other children.* If you want a large family, you might choose to just stay home permanently as the mounting cost of child care becomes prohibitive.
- *Your happiness.* Some people love being at home with children. Other people miss the intellectual challenge of their career.
- *The cost of child care.* This will depend on where you live, the type of care you choose and the age of your child. Group care for an infant, 18 months or under, will almost always cost at least \$1000 a month. Home-based care may be cheaper, especially for older children, but count on at least \$600 to \$1000 a month per full-time child.

Remember that you're paying for daycare with after-tax dollars. So if your salary is normally \$40,000 gross, you take home more like \$26,000 net. If child care is \$12,000 a year, you really have more like \$14,000 left. (Despite their deductibility, child care expenses can still be a significant out-of-pocket expense, particularly if these expenses exceed the deductibility limit.)

Finding the Best Place

If you do decide to return to work, you'll need to make daycare arrangements. Some new parents are lucky enough to have grandparents willing to step into that role. If you're not one of them, you'll probably want to spend some time finding the best place you can afford – well before it's time to go back.

Hands down, the best way to find information in your community about daycare options is word of mouth. Talk to people who already have children in daycare. Chances are they'll tell you about places to steer clear of and places to consider.

"Always, always check references," is the advice about daycare selection given in *Your Child: Emotional, Behavioural and Cognitive Development from Birth through Preadolescence* (edited by David B. Pruitt, M.D.). "If you are interested in at-home care, look for someone who is capable of nurturing and of using mature, intelligent judgment."

If group care is your preference, they advise you to look for a centre that is staffed with well-trained caregivers who treat each child as an individual.

If you think you'll return to work, do the legwork now to find the right daycare. You'll feel better knowing your child is in good hands.
