### THANK YOU

Mr. Edmund Steinke for generously donating the boards for the new town signs. We still have to provide lighting to these signs, but the quality and design are something to be proud of.

### Remembrance Day 2016 in Rocanville

On Friday, November 11, 2016, the members of the Royal Canadian Legion Rocanville Branch #020 invite you to attend the Wreath laying ceremony at the Cenotaph at 10:30 a.m. Community Service of Remembrance at St. Paul's United Church at 10:45 a.m. Lunch provided by Rocanville Town Council and RM of Rocanville #151. There will also be a service at Prairie View Lodge at 2 p.m.

### Disposable Wipes

Many ads on TV advertise wipes as being bio-degradable and suitable for flushing down toilets. Unfortunately, they DO NOT degrade fast enough to enter the Town system and frequently cause blockages.

### Did You Know ...

The town can obtain the following trees and shrubs through a SaskPower program free of charge. Should anyone like to obtain any of the species listed below please complete this form and return to the Town Office before 2<sup>nd</sup> December, 2016. Trees will be delivered in the Spring 2017.

Acute Willow	Jack Pine	Scots Pine
Buffaloberry	Manitoba Maple	Sea Buckthorn
Bur Oak	Paper Birch	Shrub Willow
Caragana	Plains Cottonwood	Siberian Crab
Chokecherry	Red Elder	Siberian Larch
Colorado Blue Spruce	Red Osier Dogwood	Trembling Aspen
Green Ash	Sand Cherry	Villosa Lilac
Hybrid Poplar	Saskatoon	White Spruce

### Remembrance Day 2016 in Rocanville

On Friday, November 11, 2016, the members of the Royal Canadian Legion Rocanville Branch #020 invite you to attend the Wreath laying ceremony at the Cenotaph at 10:30 a.m. Community Service of Remembrance at St. Paul's United Church at 10:45 a.m. Lunch provided by Rocanville Town Council and RM of Rocanville #151. There will also be a service at Prairie View Lodge at 2 p.m.

Our Rec Board is looking for new members to join us as we have many positions on the board that are open, so if you are able to donate some of your time we would welcome you with open arms. We have meetings only once a month in the Rec Office. The meetings are usually 1 hour long and we do not expect you to volunteer at every event that the Parks and Rec Board hosts as we do like to spread the events around with the members.

We are a group that helps to promote community awareness and provides the community with information of the local events hosted throughout the community. We are all volunteers that dedicate our time and energy to make this a great place to live and play.

We distribute and co-ordinate COMMUNITY GRANTS.

We promote youth programs and Seniors Centre

We publish a Monthly Newsletter and post major events on the Community Website, social media and have a weekly Rec Report in World Spectator.

Each Summer we host swimming lessons and Summer Program.

We co-ordinate volunteers.

All of these programs partner with the people of RM #151 Rocanville, Rocanville & District Museum, REDO, Southeast Connection & Saskatchewan Parks & Recreation Association (SPRA).

The Rocanville Golf Course and the Golf Course Board of Directors would like to extend a sincere thank-you to the following businesses for their generous donations of money, prizes, and services:

- Johnston's Grain Marketing
- Conexus Credit Union
- Goodman Steel Inc.
- Universe Satellite Sales
- Rocanville Tigers' Hockey
- Merit Ford
- Rocanville Community Thrift Store
- Glenda's Travel
- Super Thrifty Pharmacy
- Bumper to Bumper
- Borderland Co-op
- Core Industrial

We would also like to extend our gratitude to Boyd Wilson, and S. Wilson Construction, for the great job they did repairing and rebuilding our parking lots. Thank you!!!!

Special thank you to Goodman Steel for the new tractor ramp.

Thank you to Sylvia Magnusson, Bev Felsing, and Eileen Etherington for caring for the flowers at the golf course. They looked great!

We look forward to seeing many golfers out enjoying the course again next year!!!

## TOY DRIVE

My name is Grace Deptuck and I would like to help inner  
city kids in Regina this Christmas by doing a TOY DRIVE.  
Last year I met kids living in hard conditions and I wanted  
to find a way to help them. If you would like to donate a  
new, unwrapped toy you can drop it off at the Super  
Thrifty in Rocanville or at Rocanville School until  
November 30<sup>th</sup>. If you would like to make a cash  
donation, instead of buying a toy, it can be dropped off at  
the school office.

For more info contact 306-645-2990.

### FIRE SAFETY

Keep your family safe!

#### Tips to prevent home fires:

-  Keep children away from stoves and ovens
-  Cook with care ~ if you walk away, turn off the stove, and turn pot handles in towards the stove so children can't grab them
-  Keep space heaters 3 feet away from anything that can burn
-  Keep matches and lighters out of reach
-  Inspect electrical cords
-  Use candles carefully
-  Have a home fire escape plan and practice it with your family
-  Have working smoke detectors on every level of your home and test them regularly

Concerned about fire safety in your home?  
Contact your local fire department.

# Jumpstart

Canadian Tire Jumpstart is dedicated to removing barriers, so children ages 4 to 18 can participate in organized sport and recreation. We see it as equipping kids for life, because participation in organized sport and recreation increases a child's chance for success in life. They discover and participate. They gain self-confidence. They develop self-esteem. They learn leadership skills. Their lives become richer. This is the power of Canadian Tire Jumpstart.

Canadian Tire Jumpstart is a national charitable program that helps financially disadvantaged kids participate in organized sport and recreation. It will help cover registration, equipment and/or transportation costs up to \$300.00 per child that qualifies for sponsorship. Contact the local partners Big Brothers Big Sisters of Yorkton and Area Inc at 306-782-3471 to find out more.

Grandmother Medicine is a 4 day intensive designed to take participants, through their own stories, to the truth of who they are. This powerful program is about the alleviation of inner suffering and turmoil that leads to the development of inner peace, joy, harmony, creativity and authenticity.

Joanne Neddow, developer and facilitator, recently retired from a long career in Social Work, to focus her efforts on Grandmother Medicine. Her search for a universal approach to the spiritual component of the wholistic health model took her to many traditions and through many experiences. Near and dear to her heart are the gifts and ways given to her by First Nations people. Her quest of many years has brought her to this offering of her transformative program.

## **Frequently asked questions regarding the flu shot**

### **Does the seasonal flu vaccine really work?**

Approximately 70-90% of healthy people will have protection from the flu virus once vaccinated. It takes a few weeks to become effective, so it is possible to catch the flu within that time period. Of the 10-30% of people who may still get the flu even after the vaccination, they will have much milder symptoms.

### **When is the best time of year to get the flu shot?**

Anytime during flu season, October to April. However, the earlier the better, as it takes a few weeks to take full effect.

### **What risks are associated with the flu shot?**

Rarely, an allergic reaction may occur. Usually one may experience soreness, redness or swelling at the site of injection. Contrary to myth, a flu shot cannot cause the flu, since it does not contain a live virus.

### **Will I need to be vaccinated against new strains of flu, like the H1N1 virus?**

Flu shot requirements change every year. To help protect yourself against new flu strains, it is important to get re-vaccinated every year. For example, in 2009, Canadians received not only the seasonal flu shot, but also additional injections (depending on age) to fight H1N1.

### **Can other vaccinations be given at the same time as the flu shot?**

Yes, in fact, it is recommended that all senior patients receive the pneumonia vaccine if they have not already done so at the time of the flu shot. Patients over 50 should also discuss having the shingles vaccine administered if they have not already done so on the same day as their flu shot.

**Flu shots available at Super Thrifty. No cost with valid Sask health card**

We would like to say a heartfelt "thank you" to Phyllis Bilkiy-Behrns for her contribution in her role as Treasurer for Rocanville Recreation and Rocanville & District Museum for many years.

It is your energy, talent and hard work that have brought benefits for the organization. We appreciate your excellent performance and would like to thank you.

We send thank you wishes for your service in Rocanville as you leave the Rec Board and wish you a happy and bright future ahead.

Our Museum would not be the success it is today, if it were not for the hard work and dedication of people like you.

May you step away from the board knowing that you have made a remarkable contribution to the lives of your community.

We appreciate you!

In Flanders fields the poppies blow  
Between the crosses, row on row  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

## RECOVERY FIRST

**CRITICAL ILLNESS INSURANCE CAN HELP PROTECT YOUR HOME AND YOUR LIFESTYLE.**

*A critical illness diagnosis* can turn your life upside down. Plans change. Priorities shift. New goals emerge: to get better, to move past the stress and anxiety, to live every moment to the fullest. But of course the realities of daily life don't disappear while you're focused on recovery. Your mortgage and regular expenses still need to be paid.

### *Flexibility when you need it most*

Your critical illness benefit is there for you so you can pay the mortgage, take time off work, arrange for additional child care, travel to receive specialized treatment or access whatever extra help you need.

The money can also be used to cover out-of-pocket expenses not covered by provincial health plans, such as the cost of life-saving drugs, medical equipment or home renovations to accommodate disability. You may want to allocate some of it to everyday expenses associated with getting treatment, such as gas, parking and food.

### *Don't let a critical illness impact your savings.*

Keep in mind that even if you're fortunate enough to have a benefits plan at work, it may not be enough to manage the full financial impact of a critical illness. You

may receive a percentage of your income while you are away from your job, but that amount likely won't cover all your regular living expenses. A critical illness policy supplements your benefits plan so you can avoid dipping into savings.

### *Give me a call*

I can help you find the most appropriate critical illness solution to meet your family's needs. When you know that your home and lifestyle are protected, you can focus on what really matters: getting better.

---

(1) The cash benefit is paid if you meet the eligibility criteria set out in your contract.
