Do you have a trusted contact person?

Get an extra level of protection from elder abuse for yourself or someone you love.

When the National Initiative for the Care of the Elderly set out to measure elder abuse in 2015, it found that about one in 12 Canadian residents age 55 and older (8.2 per cent) had experienced elder abuse in the previous 12 months. For 30 per cent of those people (1 in 40, or 2.6 per cent), the abuse was financial.[1] That translates into 244,176 Canadians fending off demands for their money, fighting to access their money or sometimes losing their money – in a single year.

Responding to worrying statistics like this, the Canadian Securities Administrators (the umbrella organization representing all Canada's provincial and territorial securities regulators) recently recommended that advisors ask their clients for the name of a "trusted contact person" (TCP) they can get in touch with if they have concerns about a client's financial exploitation or diminished mental capacity.

To benefit from an additional safety net, consider connecting your advisor to a close friend, family member or caregiver who can be trusted to ensure your best interests come first. If your advisor's dealer does not already have a procedure and form regarding the TCP, you should encourage them to adopt one.

It's important to emphasize that a TCP is not the same as a power of attorney – another person your advisor should have on record. A power of attorney has authority to make financial decisions on your behalf under certain circumstances, such as if you become incapacitated. The TCP, in contrast, should have absolutely no interest or involvement in making financial decisions for you. In fact, the TCP is someone an advisor can reach out to if they feel your power of attorney isn't acting appropriately.

That said, like a power of attorney, the TCP must be someone who has earned your trust and who you are confident will act in your best interests. Think about how anyone you're considering would react if

your advisor called to discuss concerns about your recent financial decisions or memory lapses. Would the potential TCP listen to your advisor with an open mind? Just as important, is the potential TCP someone you would hear out if they in turn raised those concerns with you?

Once you have someone in mind, share the information from "TCP 101" (below) with your potential TCP. It is important for a TCP to understand exactly what the role is and is not. For example, it is an opportunity to help protect you if you become financially vulnerable, either because of age-related mental health issues or because other people in your life try to take advantage of you. It is not a licence to make decisions for you or to reduce your control over your own financial affairs. From your advisor's perspective, it's also not authority to share information with the TCP about your financial accounts, unless you've given separate permission for this.

Sadly, elder abuse is a reality for too many Canadian seniors. Naming a TCP allows your advisor to call the person you'd prefer if they suspect something is amiss. It's a way you can provide an additional safeguard for your money and your well-being. It's also an important part of good financial planning. Consider sharing this option with any loved ones who could also benefit from another layer of protection.

Is there someone in the Community that would be willing to step up as on organizer?

Citizens on Patrol Program (C.O.P.P.)

The Citizens on Patrol Program is a community led, police supported Crime Prevention, Crime Reduction program in Saskatchewan.

This program has been in existence for decades. There has been a resurgence in interest in COPP as citizens want to contribute to the safety of their

All COPP volunteers patrol in pairs, with their personal vehicle or on foot, and are in direct contact with the RCMP detachment Members who are on duty. They are on the lookout for any suspicious or criminal activity, to record the activity and, where appropriate, to report it to the RCMP. The COPP is another set of eyes and ears for their community and their detachment, which assist in preventing and reducing crime.

Volunteers must be at least 18 years old, not have a criminal record or be involved in an active criminal investigation, and complete and pass a reliability security clearance.

This is a rewarding opportunity to contribute to safe communities, safe homes in your area.

If you are interested in starting a COPP program in your community, speak to your local detachment.

Qualifications

- Minimum 18 years of age
- In good health
- Must pass Police background check
- interpersonal communications skills
- Possess positive attitude and ability to work in a team environment
- Ability to work responsibly with minimal supervision
- Ability to work in a professional manner
- Willing to participate in training sessions

Tasks and Responsibilities:

- Be the "Eyes and Ears" of the community
- Patrol the community by vehicle Identify suspicious or concerning behaviour
- and report to Police Liaison Officer Maintain awareness of community crime
- deterrence activities and initiatives Assist in increasing awareness and providing crime prevention information to
- local citizens, businesses, and community organizations
- Keep and maintain proper records Follow COP policies and procedures
- Maintain a positive and respectful presence in the community
- Treat all people with courtesy and respect Maintain confidentiality at all times

Recruitment, Meetings, and Patrols

Recruitment: Trade shows, other volunteer organizations, ads in local papers, door to door or word of mouth.

Meetings: Meetings should be run as per Roger's Rules of Order. Frequency of meetings are determined by the local group. It is recommended that groups have bylaws dealing with meeting attendance for board members and their AGM. Include training as part of your meeting. A liaison from the local RCMP detachment is part of the group and will attend meetings.

Patrol: Groups set up a patrol schedule depending on the size of the group and frequency/ number of hours the group wants their members to patrol. This can be determined in partnership with the

COPP Application

To apply for membership in COPP, a Criminal Record Search Certificate, as well as a Vulnerable Sector Verification is required. Applicants must apply through their local COPP coordinator. Once the individual is a member of the program, the checks must be re-done every two years. Until security clearance is approved, the individual will not be considered a member

Rocanville Legion #020

Please support our local Poppy Campaign Oct. 30 - Nov. 11/20

Please show support at this time to our veterans and their families. Poppies will be for sale at local businesses and we hope you will wear a poppy and honour our veterans and those who sacrificed their lives for our freedom.

Due to COVID-19, Rocanville Legion will not directly canvass businesses this year. We are confident that local businesses will be as generous to our 2020 Poppy Campaign as they have been in the past. Donations can be dropped off at the *TD Bank, Conexus Credit Union* and *Super Thrifty Drugs*; or can be mailed to *Poppy Chairman, Mel Strong, Box 155, Rocanville, Sk. S0A 3L0*

Rocanville Legion used last year's Poppy Campaign to support: Rocanville Dial-A-Van, Pipestone Air Cadets, Rocanville School Gr. 12 Bursary, School Poster and Literary Contest prizes, comforts for veterans and/or their spouses, PAWS (Service Dogs), and Leave the Streets Behind (homeless veterans). Our Legion also uses these funds to donate needed medical equipment/appliances to our local medical clinic and to long term care at Moosomin and District Health Care Facility.

We are grateful for the generosity of local individuals and businesses in our community. Whenever a poppy is purchased or a donation is made, our Legion branch is better able to honour our commitment to supporting veterans, their families and communities, and to help promote Remembrance.

Thank you for supporting Canada's veterans.

Rocanville Legion Branch #020

REMEMBRANCE DAY NOV. 11, 2020

Due to COVID-19 restrictions, our Legion will not be conducting an indoor service on Nov. 11/20. We appreciate your attendance in past years and hope to return to our regular service for future

Remembrance Days.

The cenotaph service at 10:50 a.m. has changed with COVID rules in place:

- No wreath presentations
- Wreaths will be pre-placed by Legion before the service
- Brief service of Remembrance preferably Legion members only. Attendees must social distance.
- Public attendance not requested

You are welcome to stop by the cenotaph later in the day to show remembrance and respect for our veterans and their families.

The Rocanville Curling Club would like to thank the Town of Rocanville for their donation of \$5000 toward repairs to our facility. We are happy to announce that the Town of Rocanville and R.M. of Rocanville have offered to match private donations from ratepayers up to a total amount of \$5000 each towards these repairs. These tax deductible donations will be accepted up until December 31st, 2020. They are payable to the Town or R.M office and will be matched and forwarded to the Curling Club.

Repairs to our club have been substantial over the last few years. First our brine pump was replaced and a new filtration system was added. After these repairs, the heat exchanger developed a hole, mixing refrigerant with the brine and forcing the facility to close just weeks after opening. The heat exchanger has been replaced. The system was being tested and a leak in the refrigerant compressor seals was discovered. This compressor is now obsolete and parts can not be located for it.

We are now looking for funding to replace this and put in curling ice for the 2021/2022 season. All these repairs forcing us to close and our other income (rental streams) being directed to newer facilities in town have left us looking for donations to become operable for next season. Repairs to the basement from the 2014 flood are also needed. The dressing rooms and washroom in the basement will need to be renovated in the future. Other future repair items on the list include the overhead door, refrigerators, the siding and bathroom fixtures that have all reached their age limit.

Currently we gratefully have the Pickle Ball Club using our building 3 days a week and we are open to other suggested uses for our facility during this down time. We have 5 open spots on our Board if you would like to join and help guide the Club through these repairs, fundraising and new opportunities you would be welcome.

We hope you will consider donating if you have used our facility in the past. Did you learn to curl in the kids bonspiel or gym class here? Won an event in a bonspiel? Was your grad ceremony in the rink? Were you at a memorable wedding reception or cabaret in the past? Have you attended a trade show or turkey shoot at our building? Please consider donating to help keep this multi use facility open for current and future users.

Thank you,

The Rocanville Curling Club

Hi my name is **Heather Tremblay**, I have been nominated for a councillor position in the November 9, Town of Rocanville election.

The decision to run for council is not one that I have made lightly. I grew up in this community and chose to stay here . This is not only my home but also where I started my business Shear Success Hair Salon 15 years ago.

Over my years in Rocanville the community has supported me and my family personally and professionally. I am now at a time in my life when I want to do my part and give back to the community, helping it continue to flourish and excel into the future with its feet firmly on the ground.

My knowledge and experience as a business owner will provide valuable input to the council chambers as I can bring both sides of the community to the table, business and homeowners. I believe this to be a great asset to our town.

I hope that being a part of council will allow me to contribute to the decisions to help our community prosper and grow into a home/community we can be even more proud of!

We would like to take this opportunity to once again thank Rocanville and the areas community for their support during our time of grief.

We have been a part of this community for almost 30 years and have seen how you rally around those in need. You were there for us at the tragic time of Matthew's accident and once again we are feeling you here for us now.

Our lives were devastated when Dad(Bob) received his diagnosis but you filled our hearts with love through your generous donations, words of condolence, text messages, emails, and phone calls.

Words can not express the extreme gratitude we feel. This community will always be our home. Thank you from the bottom of our hearts.

Sincerely

Norma Wilkie

I'm **Tobin Shipp**. I am excited to be running as a candidate for town council. My wife and I moved with our 3 children to Rocanville five years ago, to be able to live in the same community I work in, and have a better family life. I am an active volunteer in the community; taking part in all of our children's extra-curricular and with school events, from barbequing the burgers at the welcome back BBQ each year to running stations on the last day of school fun days. I am in my fourth year as a member of the Rocanville Fire Department, and heading into my third season on the Rink Board. My hobbies are mostly hunting, camping, fishing and boating.

The reason we chose to move to Rocanville was because of the Parks, Businesses, Churches, Recreation Facilities, Child Care and Educational Facilities, Museum, Wildlife Lands, Ski Trails and small town charm. My goals as a member of council is to ensure these current opportunities of this town are available for years to come and they thrive.

Other interests on council are:

Supporting active families and our rec facilities.

Attracting young families and growing our town

Helping support our existing businesses and encouraging more.

Listening to our long time members of the community and ensuring our town can support all of us as we age.

I am excited to learn what council did in the past and what we can build on together as a team while listening to common interests and ideas from you. Thank You in Advance for your support.

Tobin Shipp

Rocanville Dial-A-Van

will resume regular driving hours starting on Monday, October 5, 2020.

All Seniors in the town of Rocanville are welcome to ride the bus on Mondays, Wednesdays and Fridays

from 9:00 am to 4:00 pm.

We can take you uptown, to the Market Garden, grocery shopping, to get the mail, to a doctor's appointment, to the bank, or a hair appointment

all for a return trip of \$2.50.

We'll carry your groceries and will drive you from one place to the next. We have a lift if you feel the steps aren't for you. Please call

(306) 434 6644

to book your ride.

Our drivers are all volunteers
and if you feel you could help us by driving one or two days a
month, then that would be appreciated.
Helping our Seniors is a great way to
make our community even better than it is.

Hi my name is Paul Bunz.

I have decided to let my name stand for one of the positions for councillor for the town of Rocanville I have been lead Pastor of Hope Congregational Christian Church for the last four years. A position I currently hold. Our family has been here since 1967 and except for short time in Saskatoon, Rocanville has been my home. I worked as the caretaker at the Rocanville School for 21 years retiring 2008. I will bring a common sense approach to council. I believe in good fiscal management of the resources as we see the town grow and prosper. I have some ideas on snow removal from our streets, and some improvement to the streets in the trailer court.

I believe Rocanville is a prosperous and growing community and I would ask for your support to be part of a team that will lead Rocanville to greater and bigger things.
